REGISTERS

An index to Parish, Non-conformist and Roman Catholic Registers & Monumental Inscriptions held at Oswestry Library can be found below. The index indicates whether the item is available in printed form and / or on microfiche and/or digital.

Parish:

The registers for Oswestry and its neighbouring parishes in England and Wales are available not only in printed volumes held in the rolling stack at the library and on microfiche, but have also been put online by *FindMyPast* up to the year 1900 and are free to view on all library computers.

Non-conformist:

To find out if a non-conformist chapel or church existed in a particular area consult one of the following held in the rolling stack:

Kelly's Directory, which lists chapels and Roman Catholic Churches in each parish;

b) *Victoria County History of Shropshire* Vol. II pages 8-17 gives a summary of non-

conformist activity in Shropshire. A copy is available at Class C64 (Oversize).

Records of the Quarter Sessions can provide information about those who refused to attend the parish church or obey the teachings of the Church of England. (See separate section below.)

Cemetery Records

Details, including where possible brief genealogical information, of all those buried in the town cemetery from its inception in 1862 until 1911 can be found at www.oswestrycemeteryproject.org.uk.

A National Burials Index can be consulted using CD ROM held in the library

The Welsh collection forms part of Oswestry Library's Local Studies section. It reflects the fact that for many residents of rural Powys and to a lesser extent, parts of Denbighshire and Wrexham, Oswestry is their local library. Built up over the past century by those interested in preserving information about Oswestry's hinterland, the core bookstock consists of around 1300 volumes relating to Wales and the Welsh borders. The emphasis is on railways, topography, mining, history and religion.

In addition there are complete or near complete runs of journals and magazines (listed above). There are also maps, plans and printed ephemera.
